Wasatch County reports COVID-19 resident death

Wasatch County, Utah (April 10, 2020) – Officials at the Wasatch County Health Department report the death of a county resident from COVID-19. The patient, a male in his 60's with other underlying health issues, passed away in a Salt Lake area hospital after combating the virus for 9 days.

"We would like to offer sincere condolences at this time", said Randall Probst, County Health Director. "Our community here in Wasatch County is like family and we are very saddened to lose one of our residents."

If you have questions about COVID-19, contact the Utah COVID-19 Information Line at 1-800-456-7707 or visit the Wasatch County coronavirus website at coronavirus.wasatch.utah.gov.
